

GOLF CART BATTERIES

A COMPLETE LINE OF GOLF CART BATTERIES

Canbat offers a full line of golf cart batteries including:

CBT - Flooded Flat Plate

CTG - Gel Flat Plate

CGF - Tubular Flooded

CGG - Tubular Gel

Golf cart batteries are available in 6V, 8V and 12V.

PROVEN TECHNOLOGY

Both our flooded and gel batteries are engineered to provide a very high cycle life. With deep cycling capabilities and their ability to withstand severe weather conditions, Canbat golf cart batteries provide the highest return on your investment, with no equal in bang-for-buck performance.

WORLD-CLASS REPLACEMENT WARRANTY

With no questions asked, we will replace your golf cart battery if it stops working within the first 12 months. There's nothing more guaranteed to hold up play than a slow golf cart that can't make it up the fairway. With Canbat, that will never happen.

CBT - Flooded Flat Plate

TECHNOLOGY	PART NUMBER	WEIGHT kg (lbs)	Terminal	VOLTS	R/C @ 25A	R/C @ 75A	AH @ 20HR	WARRANTY
